Dear Alice,

Thanks for your letter. I am so happy to know more about your life in London.

It is summer now. It is hot and sunny. I am having a holiday with my parents. I enjoy sunshine, blue water and wide beaches. Summer is my favourite season because I can build sandcastles on the beach and swim in the sea. Also, I can eat ice cream. It is delicious!

In spring I usually go on picnics with my friends. We take pictures of flowers, eat snacks and play games in the park. In autumn the weather is cool and dry. I like going hiking with my grandparents. I usually wear a T-shirt, long trousers and a cap. In winter I like to have hotpot with my family. It makes me warm and happy.

What do you like to do in different seasons? Please write back soon!

Your friend,
Freya
