# Interactive Whiteboard Material – Adult

## New Inside Out Digital Interactive Whiteboard Software – Adult

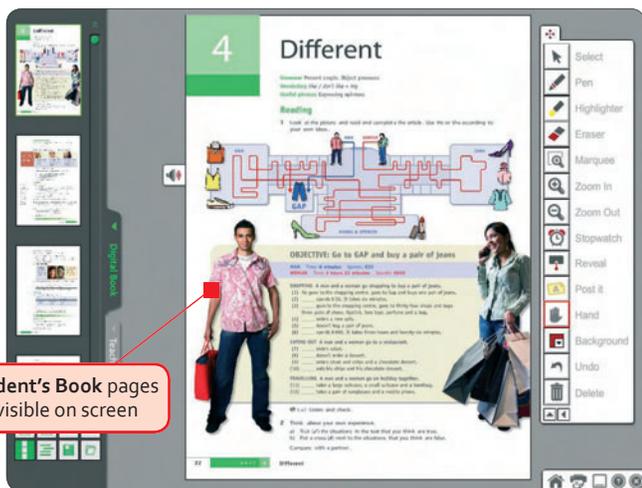

All levels from beginner to advanced now available.

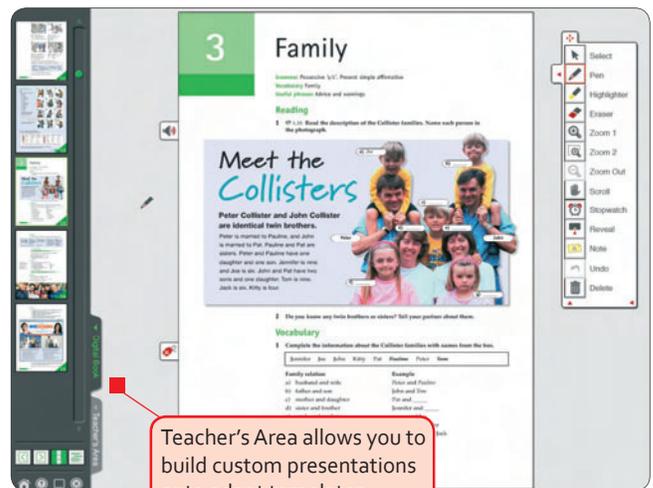

*New Inside Out Digital* has been designed to be completely platform-independent, and can even be used with a simple laptop and projector combination. All of the special tools for interacting with the content are built into the software, not relying on any particular manufacturer's hardware to operate. It is compatible with both PCs and Macs.

### Key features

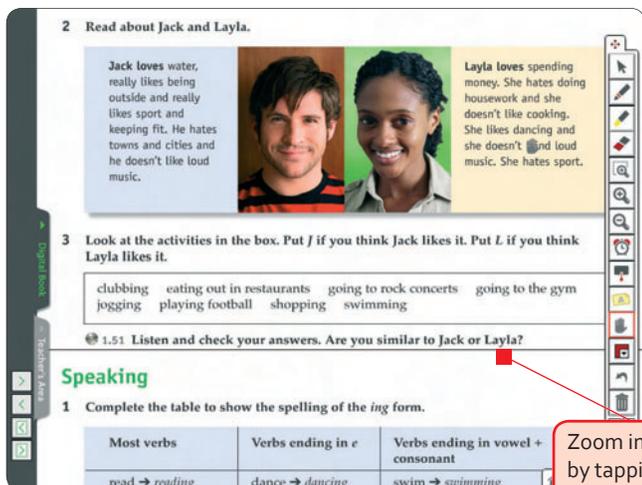

- A digital version of the **Student's Book** is visible on screen, allowing you to combine traditional book-based learning with the multimedia features of the digital version
- All of the audio and video content related to a unit page is instantly accessible by tapping on the relevant icon. No more switching between software applications or hunting around for the correct track on a CD player
- The **Teacher's Area** provides a powerful presentation tool that allows you to build custom presentations easily, or simply to adapt the provided templates. Materials produced can then be saved (to a USB, local network, etc) and easily shared with colleagues
- Easy navigation provides quick access to pages in the **Student's Book**, to the **Teacher's Area**, to printable documents and to help screens
- Supplied training material helps you get up to speed with this powerful software quickly
- Game templates allow you to quickly and easily create impressive class activities

Student's Book pages are visible on screen

## The resource bank for CLIL teachers

Accessed through your *Onestopenglish* subscription, *Onestopclil* is a subscription resource site for English language and subject teachers who use English as the language of instruction. The content-based resources - worksheets, animations, audio and IWB material - all include comprehensive language support to help you create inspirational CLIL lessons.

**Callout 1:** A free discussion forum where teachers can exchange experiences and debate the issues behind CLIL

**Callout 2:** Images and diagrams to download from our subject-specific image gallery

**Callout 3:** Search for materials by age and subject matter

**Callout 4:** Worksheets and teacher's notes for science, geography and history lessons

**Callout 5:** 100+ topic-based worksheets and teacher's notes for young learners

**Callout 6:** Free CLIL teacher magazine and CLIL community areas

**Callout 7:** Free samples of the resources available to download and try

**Callout 8:** Science Museum worksheets and animations to use in class

*Onestopclil* recognises the expansion of the subject-based and content-based teaching trends in primary and secondary education. Many teachers will have been teaching other subjects through the medium of English for many years, only recently has the term 'CLIL' become widely used in many parts of the world.

*Onestopclil's* aim is to provide a place for both experienced and novice teachers of CLIL to find a resource bank of useful materials along with a community that understands the demands and issues they are facing as CLIL becomes more prevalent.
