Outstanding Student of the Year

Every year, our school chooses one student from each primary year to be the Outstanding Student of the Year in the school year end. Today we are happy to talk to one of the winners, Susan Ko from Class 5B.

Reporter : Congratulations, Susan!

Susan : Thank you! It is the first time I have received this award. It is my honour. 5

Reporter : You are the captain of the school basketball team and you are learning ballet and piano outside school. How do you manage your busy schedule?

Susan : I write up a detailed timetable every month and follow it tightly. It helps me manage my time for schoolwork and extra-curricular activities efficiently. 10

Reporter : Do you do revision every day?

Susan : Yes, I do revision for at least an hour every day. When I have questions about the lesson, I can ask my teacher the next day. It works better than spending several hours on revision before Exam Week. 15

Reporter : What do you do in your free time?

Susan : I do some volunteer work at an old people's home with my family at weekends. It is very meaningful. 20
