## My Dream School

### My Dream school

If my school was in Hong Kong Disneyland, it will be great. Every day I can see Mickey Mouse, Minnie Mouse, Donald Duck, Daisy, Winnie the Pooh and other characters. Every day we go to school by Disney train.

The classroom is in a roller-coaster. The teacher will stand at the front of the roller-coaster to teach us. We can enjoy learning because we feel excited riding a roller-coaster and we don't feel boring. We can set some school rules. For examples, if your result of exam, test or dictation is lower than sixty marks, your punishment is to ride the space-

mountain. If you hurt people, you have to play Mad Hatter tea five times. If you got high marks in exam, test or dictation, you could pick a souvenir in the Main Street.

After lunch, there is a parade in Main Street. We could watch the parade with teachers and principal. And the school bell song is Mickey Mouse song. Then we will not sleep in the lesson on noon time.

If this dream came true, I will thanks for God.

Winnie the Pooh likes to play with his friends in the 100 Acre wood. Eeyore the donkey, Tigger the tiger and Piglet the little pig and Winnie the Pooh will help each other. I would like our schoolmate will help each other and don't fight.
