

# Contents

Exercise	Dimension	Unit	Learning Objectives	Page
1 Circles (1)	Shape and space	Circles	◆ Recognise the concept and basic properties of circles	4
2 Circles (2)			◆ Draw circles	6
3 Cross sections of 3-D shapes		Cross sections of 3-D shapes	◆ Recognise the cross sections of 3-D shapes ◆ Recognise the concept and basic properties of spheres	8
4 3-D shapes		3-D shapes	◆ Recognise the concepts of vertices and edges of 3-D shapes ◆ Recognise the concepts of cubes and cuboids ◆ Recognise the nets of cubes, cuboids and cylinders	10
5 Multiplication of decimals (1)	Number	Multiplication of decimals	◆ Decimals $\times$ Whole numbers	12
6 Multiplication of decimals (2)			◆ Decimals $\times$ Decimals	14
7 Multiplication of decimals (3)			◆ Round off the products	16
<b>Formative Assessment 1</b>				18
8 Division of fractions (1)	Number	Division and mixed operations of fractions	◆ Whole numbers or fractions $\div$ Whole numbers	22
9 Division of fractions (2)			◆ Whole numbers or fractions $\div$ Fractions	24
10 Mixed operations of fractions			◆ Mixed operations of fractions	26

Exercise	Dimension	Unit	Learning Objectives	Page
<b>11</b> More about algebraic expressions	Algebra	Algebraic expressions and simple equations	◆ Use algebraic expressions to represent the operations involving unknown quantities	28
<b>12</b> More about simple equations			◆ Solve simple equations ◆ Solve problems by using equations	30
<b>13</b> Volume	Measures	Volume	◆ Recognise the concept of volume ◆ Measure and compare the volumes of objects	32
<b>14</b> Volumes of cubes and cuboids			◆ Find the volumes of cubes and cuboids	34
<b>15</b> Volume of 3-D shapes			◆ Find the volume of 3-D shapes	36
<b>Formative Assessment 2</b>				38
<b>Summative Assessment</b>				42
<b>Challenging Common Mistakes</b>				52
<b>Glossary</b>				55

### Includes:

- Unit Test Circles
- Unit Test Cross sections of 3-D shapes
- Unit Test 3-D shapes
- Unit Test Multiplication of decimals
- Unit Test Division and mixed operations of fractions
- Unit Test Algebraic expressions and simple equations
- Unit Test Volume
- Answer Key
