Overview

13 workbooks which provide **progressive theme-based exercises** for writing letters, words, sentences and paragraphs

1 Transport

There are three main forms of transport in the world.

One of them is land transport such as buses, trains and trams.

Another one is sea transport like ships, boats and ferries.

The last one is air transport such as aeroplanes and helicopters.

All these kinds of transport are important because they help us get to different places more easily.

Warm-up and games for reinforcing what students have learnt on strokes, confusing letters and vocabulary

Warm-up

Mazes

Follow the lines. Copy the words in the correct boxes.

hungry

tired

thirsty
